Resolutions of Respect.

"Oddfellowship!"
Working in manhood's prime and ardent youth

In that sublimest, most ennobling strife To show for man, best Friendship, Love and Truth.

In memory of Jason H. Scott, who died Aug. 8, 1918.
"So let him sleep that dreamless sleep, our sorrows clustering 'round his head;

Be comforted, ye loved who weep, he lives with God—he is not dead."

Once again death has summoned a brother Oddfellow and the golden gateway to the Eternal City has opened to welcome him to his home. He has completed his work in the ministering to the wants of the afflicted, in shedding light into darkened souls and in bringing joy into the places of misery and as his reward has received the plaudit "well done" from the Supreme Master.

And whereas, The all wise and merciful Father has called our beloved and respected brother home.

And whereas, he having been a true and faithful brother of our mystic order, therefore be it

Resolved, That Silk City lodge, No. 447 L. O. O. F. of Belding, in testimony of her loss, tenders to the family of the deceased brother our sincere condolence in this deep affliction, and that a copy of these resolutions be sent to the family.

Mark Leetch,
Harvey J. Currie,
W. H. Price,
Committee.

Green be his memory, in the order's heart.

He loved so well, through all his true life's span;
Bless'd be his rest, who acted well his part,
Who honor'd God in doing good to man.

Resolutions of Respect.

Whereas the Angel of Death has again entered our portals and carried away our sister, Mrs. Minnie Conklin.

Resolved, That in her death, Victoria Rebekah lodge No. 60, loses a loyal member, the community a true citizen and the family a good and devoted mother.

Resolved, also that in testimony of our loss, this lodge extends its deepest sympathy to the afflicted children and also resolved, that a copy of these resolutions be sent to them.

"The Chocolate Soldier" Coming Here Fifth Night of Chautauqua Week

The success of "The Mikado" on the Redpath Chautauqua last season was so pronounced that this year another light opera will be presented. "The Chocolate Soldier" is the 1918 offering, and light opera night this year will again be a real sensation. Charming, tuneful, "The Chocolate Soldier" has a wonderful record before metropolitan audiences. A company of 30, including orchestra, will present "The Chocolate Soldier." The stage setting and lighting effects will be a revelation in what can be accomplished in this direction on the Chautauqua platform.

British Knight Will Speak at Redpath Chautauqua Here

SIR JOHN FOSTER FRASER, F. R. G. S.

Sir John Foster Fraser, F. R. G. S., who will speak on "The Checkboard of Europe" on the fourth night of the Chautauqua, is England's most famous newspaper special correspondent. As a recognition of services rendered his country during the great war the honor of knighthood was conferred upon him by King George in Buckingham palace in June, 1917.

Sir John is said to have done more varied traveling than any man alive and has described his wanderings in a dozen books. He has long been famous in Great Britain as a speaker with a personality. The London Press says, "He is as brilliant on the platform as he is with his pen."

Soldiers Were Home.

Tem Bracken, Jr., Chester Fuller, Dave Sowers and Ray Kidd, all of Ann Arbor, Mat Jonas and Hal Burris of Lansing and Ray Van Gilder of Fort Storey, Cape Henry, Va., were among the city's soldier boys who were home to shove their feet under the parental tables for Sunday meals. Most of the above boys returned to their barracks Sunday night. Walter Ireland was also home over Sunday from Camp Custer.

Moved to Cleveland.

Mr. and Mrs. Frank Luick have sold their fine residence property at the corner of E. Liberty and Alderman streets to Mrs. Morris Hinds, and have moved to Cleveland, Ohio, where their address from now on will be 1859 E. 70th St., that city. Mr. Luick is still in the city closing up some minor details connected with his water wheel.

"Ve iss all safe, papa," writes the kaiser's six sons.

Maybe we at home can give a whole lot, or maybe we can give a little, but whatever we give can't measure up one bit to what our boys are giving "over there."

Range

is the only real improvement made in range construction in 25 years.

The Coal is fed under the fire and the smoke, gas and soot are consumed.

Will positively save 25% or more on fuel bills.

The "Underfeed" principle is the only scientific way of burning soft coal. The fuel being fed under the fire, all products of combustion (gas and smoke) are forced to pass through a fire and hot coils, and they are converted into a heating flame, producing a strong even heat at all times.

Don't Smother Your Fire by Putting Soft Coal on Top of It
